STATEMENT
INSTITUTIONAL

Venezuela Digna - Proyecto País 2027-2037 is an initiative
powered and sponsored by Despierta Venezuela Inc.
It stems from the need to contribute to the recovery, reconstruction,
and building of a new Venezuela, after more than 27 years of a
regime that has profoundly marked the country and
an opposition that, from our institutional perspective, has not
managed to offer the answers that Venezuela needs.
This Country Project does not belong to, represent, or is subordinate
to any politician, political party, candidacy, or partisan movement.
It arises from Venezuelan civil society: men and women,
professionals, organizations, social leaders, entrepreneurs,
entrepreneurs and citizens with shared values and principles
a fundamental conviction:
